Additional comments

Anne and Gwen were both phenomenal. It was a pleasure working with Ann. Not only did we get a great and knowledgeable Real Estate agent but now she is a friend of the family. She was very attentive and could really read body language. She already knew when I really like or disliked a property b4 I could say anything. I have already recommend her to colleagues at Verizon. Whether I recommend Century 21 or not doesn't really matter but I will definitely recommend Ann "great Personality" and all around fun person. Most importantly its was the client that she put first and not trying to get us to buy big so she can a bigger commission. I can go on and on about her but there is not enough time or space for me to continue.

Additional comments

Gwen met and exceeded our requirements, she takes pride in her work and relationship with her clients. Gwen is driven to ensure a high level of accuracy and satisfaction for her clients. Gwen ensured that all documentation and correspondences were completed on time during the process of the sale. We truly enjoyed the experience working with Gwen and has gained a genuine trust with her representation and mediation during the process of our home sale.

Gwen went above and beyond. She and her partner Ana were amazing and we are very grateful for the outstanding customer service. They made us feel we were their most important clients, taking the time to get to know us and always available to help us through the complicated process of buying our home. They were not only professionals but also made the effort of personal touch.

Additional comments

Gwen was professional and very knowledgeable throughout my house buying process. She readily made herself available for any questions and even repeat questions I had. If I did not reach her, she returned calls promptly. Gwen was helpful during the walk through of the home noting minor corrections that were needed. All in all, I was extremely satisfied with the services provided by Gwen and thankful for the assistance I was given.
